TRENDING PRODUCTS

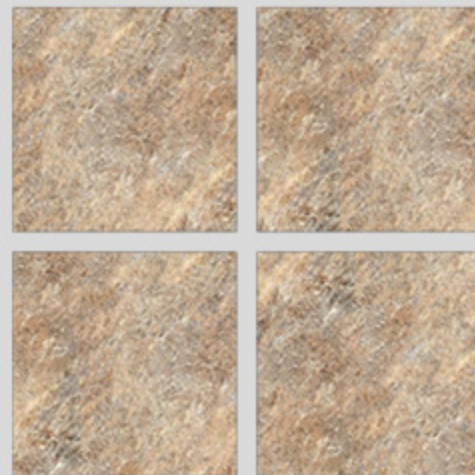

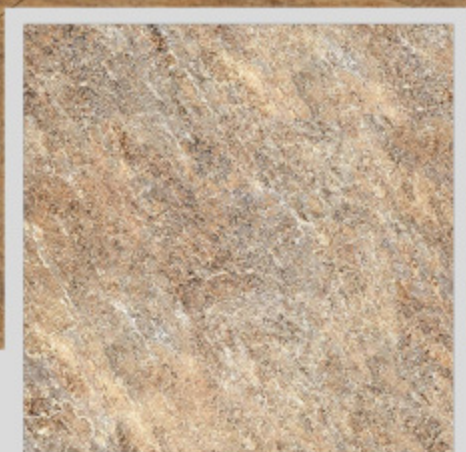

The 60x60 ceramic tile is a popular choice for flooring, available in various thicknesses and surface finishes. This variety in thickness allows it to be used in a wide range of projects, from low-traffic indoor spaces to outdoor or high-traffic areas that require more durability. Additionally, the 60x60 tiles come in different surface types, including glossy, matte, and anti-slip finishes, allowing for selection based on the specific needs and environment. These features make the 60x60 ceramic tile an ideal option for both modern and classic designs in homes, offices, commercial spaces, and outdoor areas.

60x60

60x120 cm ceramic tiles are ideal for floors and walls, creating a seamless look with fewer grout lines and easier cleaning. Available in matte, glossy, and stone-like designs, they suit modern
